Hello,

It has come to our attention that hotel taxes are being charged for Harvey travel. While your travel authorization does not show hotel taxes as an expense, it is imperative that you ensure you will not be charged hotel taxes. Attached is the Texas tax-exempt waiver, please provide to your hotel ASAP if you are going to be charged a hotel tax. Additionally, see the link below from Governor Abbott extending the proclamation on suspending hotel and motel taxes in the state of Texas.

Thank you,

Harvey Finance Team
